

Good Morning Senator Looney, Representative Janowski, members of the Committee.

It is an honor and a privilege to be here today.

My name is Regina Stankaitis and I am here seeking reappointment to the Medical Examining Board as a Public Member. I am a resident of Wethersfield, Connecticut and have lived in this great State for the past 40 years.

As you can see in my resume, I am currently an Executive IT Recruiter for Travelers in Hartford. My background includes corporate and professional services recruiting, organization design, employee relations, compensation, training and relocation. I have worked for Aetna, PricewaterhouseCoopers, and CIGNA in this profession. In my previous career, I was the Athletic Director and Physical Education Chair at St Joseph College in West Hartford, CT.

My community involvement includes serving on the Connecticut Medical Examining Board, the Connecticut Business Leadership Network, the Governor's Committee for Persons With Disabilities, and the American Lung Association of New England.

I look forward to answering any questions that you may have for me.

Thank you.
